

Edith Leigh Photography | Fine Art School Portraits

I am excited to have the opportunity to provide your school with fine art school portraits. My goal is to provide a better and more personal experience to all the families who attend the schools who have chosen me to photograph their children.

what is a fine art school portrait?

Fine Art School Portraits are a modern approach to school photos. No more cheesy smiles with strange backgrounds.

The background will be black and the photos will be simple and classic. Instead of forcing a smile children will be encouraged to be themselves to capture a natural, authentic portrait of them on the day.

Example photos can be found here:

when will Edith Leigh Photography be at the school?

Tuesday 3 March

(from 8am for sibling photos)

what should my child wear

Please avoid graphics or neon clothing. Solid colors are best and all individual shots are shoulder up.

Please contact Edith Leigh Photography if you have any questions.

are siblings welcome?

Siblings not currently at the school are welcome! Please feel free to bring siblings along for portraits together and alone.

Sibling shots (for those who are not currently at the school) will be taken between 8-9am.

how will I order?

Within two weeks of your child's photo day, you will be e-mailed the link to a class proofing gallery.

There will be 2-5 images of each child. Images will be in both color and black and white. I do not choose which photos you print; you do.

You will be able to order prints, canvas wraps and digital files directly from the viewing gallery. The ordering process is simple and secure. The gallery will be live for seven days.

ALL ORDERS MUST BE PLACED IN THAT SEVEN DAY PERIOD

Once orders have been placed, your photos and/or canvas wraps will be delivered to your school within four weeks.
